

**MirrorStore Replication Appliance
MSRA001
PRODUCT LIMITED WARRANTY**
(48 Contiguous United States ONLY)
Effective Date: November 10, 2003

- **Warranty.** StorageTek warrants to the original End User that the MirrorStore (MODEL: MSRA001) purchased by the End User directly from StorageTek or an authorized StorageTek reseller (the "Hardware Product") will be free from defects in material and workmanship and will substantially conform to its published specifications during the warranty period. No separate warranty is provided for software, including microcode, embedded in or included with the Hardware Product that is not separately identified as a Software Product. The warranty for Software Products is as stated in the StorageTek Limited Warranty Terms document located at <http://www.storagetek.com/warranties/> (together with any Product Limited Warranty document specific to such Software Product). Any warranty with regard to the tape media purchased from StorageTek and used in the Hardware Product is set forth on the packaging for such tape media. The sole and exclusive remedy available to the End User, and other terms of this Product Limited Warranty, are set forth in StorageTek's Limited Warranty Terms document located at <http://www.storagetek.com/warranties/>.
- **Warranty Period.** The warranty period for this Hardware Product is 12 months ("Warranty Period") from the date of installation of the Hardware Product by StorageTek or a StorageTek-authorized installation provider.
- **Warranty Service.** During the Warranty Period, the Level of warranty service for the Hardware Product is StorageTek's Next Day ("Warranty Service"), as described on the StorageTek TekCare website at www.storagetek.com/prodserv/services/support_services.htm. This Warranty Service is provided only if the Hardware Product is installed within a StorageTek serviceable area. StorageTek serviceable areas are available from a StorageTek account representative or are listed at <http://www.storagetek.com/prodserv/services/serviceablecities.htm>
